**Produced by the world's leading  
manufacturer of sealant applicators.**

# COX FOR **QUALITY APPLICATORS**

The new **Cox Electraflow EasiPower** range of battery applicators is ideal for the **semi and professional user**. Manufactured to the same high standards as all Cox applicators **Electraflow EasiPower** represents excellent value for money for those wanting a lightweight and reliable battery powered applicator.

## OUR LATEST BATTERY POWERED APPLICATOR

Low to medium viscosity quality applicators for 310ml & 400ml cartridges and 600ml sachets

Electraflow EasiPower can be used in any location offering complete working flexibility, providing users with the convenience and ease of battery power to deliver a smooth, consistent flow of material from the applicator.

**Electraflow**  
**EasiPower**<sup>TM</sup>

Newly designed lightweight trigger assembly

Ergonomically designed handle for comfortable all-day use

Cox branding for assured quality

## THE NEW ELECTRAFLOW EASIPOWER RANGE

The all new Cox Electroflow EasiPower is available in 4 versions:

- Electroflow EasiPower Cartridge for 310ml and 400ml cartridges
- Electroflow EasiPower Combi for 400ml and 600ml sachets and cartridges
- Electroflow EasiPower Combi for 600ml sachets and cartridges
- Electroflow EasiPower Coaxial for 380ml coaxial cartridges

### Benefits across the range:

- Ergonomic design for comfortable use
- Designed and manufactured in the UK
- Variable speed control
- Non-drip function
- Overload shut-off
- Light and easy to use
- Built to a high quality but with a budget price

### Electroflow EasiPower Cartridge

The Cox Electroflow EasiPower Cartridge will accept 310ml and 400ml cartridges.

Part of the highly successful professional Cox Electroflow range the Cox Electroflow EasiPower cartridge applicator provides a lightweight option offering Cox high quality but with reduced power for those users not requiring an applicator for high viscosity sealants and adhesives such as polyurethanes.

**For quality performance, long life and value**

- Metal frame
- Engineered polymer trigger assembly

### Electroflow EasiPower Combi for Sachets and Cartridges

Electroflow EasiPower Combi available for sachets and cartridges is a fully interchangeable applicator allowing the user complete flexibility between sealant packaging systems. Using a lightweight aluminium barrel combined with the high strength polymer handle and trigger assembly Electroflow EasiPower Combi offers considerable weight saving over professional battery powered barrel guns.

**For quality performance, flexibility, long life and value**

- Lightweight aluminium barrel
- Engineered polymer trigger assembly
