

Protection, transport and shipping in 1 case

Case for the PowerCure Dispenser

Robust according to military standards, strong in transport and made for daily use

Everything safely stored, quickly accessible and mobile on the go: The new PowerCure case makes transport, storage and shipping significantly more convenient. Ideal for everyone who uses, sells or services Sika PowerCure professionally.

Easy and comfortable transport thanks to the practical wheels.

More than just a case

- **Everything in one place:** device, accessories, batteries and charger
- **Easy transport** thanks to wheels and practical handles
- **Better protected** during storage, use and shipping
- **Ready for use faster** without long searching
- Ideal for **service cases & repairs**
- **No shipping packaging required** – ready to ship immediately
